Radically **accept** that *The Map is Not the Territory*

This is an **attitude** of humility for sharing your perspective

Complain **without** blame

You are **solely** responsible for your *thoughts* *feelings*, *actions* and *triggers*
-others simply provide the stimulus

The first step in ***curiosity***: is to NOT **interrupt**

Listen to **understand**, not to reply

You are not responsible for your partners thoughts, feelings, actions or triggers BUT your **responsibility** is to be **responsive**

Summarize/book report your partner's ***Map*** *with authenticity*

Name and claim your partner's **experiences** and **emotions** with mirroring

Use the phrase ***"it makes sense"***

EMPATHY: The ability to **take the perspective** of another person, **stay out of judgement**, and speak that perspective back to them with sincere and intentional interest

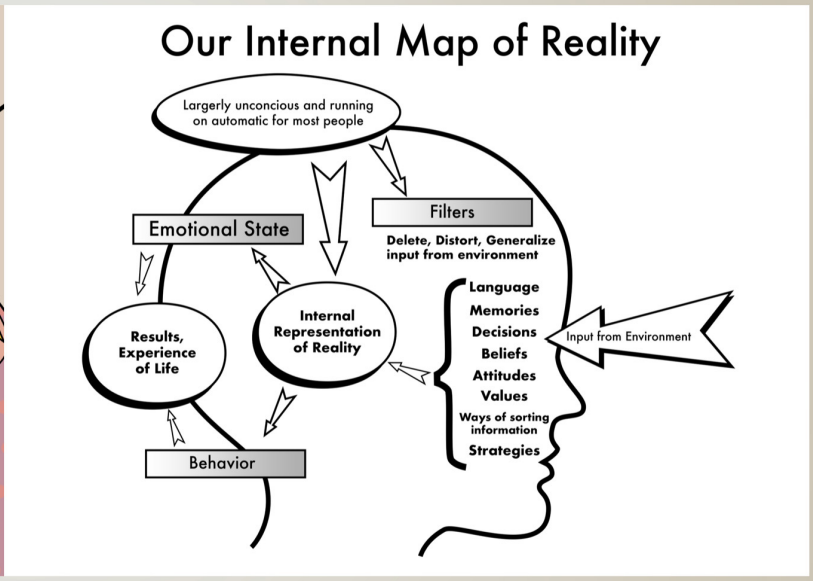
Did I ***get*** *and* ***understand*** *what you wanted me to know about this situation?*

Is there anything else you need me to **understand**?

Can I share my **perspective** and experience with you?

PRINCIPLE: IN ORDER TO AVOID TERRITORY FIGHTS, PRIVILEGE ONE MAP AT A TIME, OFFER VALIDATION AND SEEK EMOTIONAL CONNECTION, NOT SOLUTIONS. CONNECTION IS THE SOLUTION.


THE MAP IS NOT THE TERRITORY
